

# Science in the News

## with Kai Kupferschmidt

# Thursday 19<sup>th</sup> of September

16:00 Aula, FSU Hauptgebäude, Fürstengraben 1.  
Followed by networking opportunity with catering.

**ALL WELCOME!!**

*Newspapers want catchy headlines, scientists care about the details. The tension between journalists and scientists will be addressed in this talk by Kai Kupferschmidt, who is a leading science journalist and correspondent of Science magazine.*
